

# THE DELI MENU

At Wilson Jones we have a simple desire to serve the highest quality food every day, using the finest ingredients. Our vast lunch offer is all prepared on site everyday by our trained chefs. In addition to our deli and main menu offer, our chefs also prepare a wide range of fillings and flavours across our entire menu range, including vegan and vegetarian options, giving our customers a wide range to choose from each day.

Please see our main menu, and breakfast posters for more information.
